This email will contain all the essential instructions for picking up your bib, your participation prize, and your race participation. It is not necessary to print a paper copy of the email itself; you can present it on a device such as a smartphone or tablet.

11) RACE NUMBER COLLECTION AND PARTICIPATION PRIZE

Registered participants may collect their race bib and participation prize at the PalaFiere Pavilion B2, Via Baltera, 20 in Riva del Garda:

Race bibs are strictly personal, may not be tampered with, reduced, or transferred to anyone else, under penalty of disqualification.

12) DELEGATION TO COLLECT THE BIB AND PARTICIPATION PRIZE

If you are unable to collect your bib and participation prize, you may delegate another person in writing. The person must present the following documentation:

- a) Signed Confirmation Letter
- b) Delegation Form (to be attached to the Confirmation Letter)
- c) Photocopy of a valid identification document.

13) RACE BIB

Registered participants are responsible for the ownership and safekeeping of their race bib, thereby acquiring the right to use all the services mentioned in these regulations and/or subsequently communicated. Tampering with or reducing the race bib, or obscuring wording and/or symbols, is prohibited, under penalty of disqualification. Anyone who, without proper registration, participates without a bib and/or a counterfeit or otherwise non-compliant bib, in addition to being held responsible for damage to persons or property, including themselves, will incur sporting sanctions under the jurisdiction of federal and criminal law bodies (Article 624 of the Italian Criminal Code and/or Article 640 of the Italian Criminal Code and/or Article 650 of the Italian Criminal Code).

14) PARKING

Ample free parking is available in the areas in front of the PalaFiere.

15) STARTING SECTORS

Each athlete will be assigned a specific starting area, indicated by the color of their bib, to facilitate entry into their respective sectors. These sectors are determined based on the "personal best time" declared during registration and achieved in an official half marathon within the last two years. For this reason, it is not possible under any circumstances to assign a special number at the athlete's request or to replace an assigned bib, even if the athlete has mistakenly omitted to specify their personal best. The Organizing Committee reserves the right to verify the declared time and make appropriate changes to the assigned bib if discrepancies are found. Five starting grids will be set up:

1st RED bib: Top and Master athletes up to 1:19:59
2nd BLUE bib: Master athletes from 1:20:00 to 1:39:59
3rd YELLOW bib: Master athletes from 1:40:00 to 1:59:59
4th GREEN bib: Master athletes from 2:00:00 and athletes in their first HM
5th WHITE bib: Nordic Walking & Fit Walking

16) COURSE

All route details will be available on the website www.trentinoeventi.it. The Highway Code must be followed.

17) RACE TIME LIMIT

The time limit to complete the 24th GARDA TRENTINO HALF MARATHON is 3 hours.

18) TIME CUT-OFF

A time cut-off point will be located at km 12.0 after 2 hours of racing (12:15 PM). For the safety and security of participants, the time cut-off point is designed to ensure that athletes run on a road course completely closed to traffic, according to the timetables authorized by the relevant authorities. Passing through a cut-off point after the indicated time will result in disqualification from the competition. Athletes will be asked by officials to board drop-off buses or to continue running on the sidewalk, not on the road, while still lowering their bibs and strictly adhering to the Highway Code.

19) PACERS SERVICE

Several groups of Pacers ("BEARS"), recognizable by their clothing and marked by special balloons, will be available free of charge to athletes who wish to use them. They will run the GARDA TRENTINO HALF MARATHON 2026 at a steady pace to reach the finish line within the set time. They will finish the race in 1:24–1:29–1:34–1:39–1:44–1:49–1:54–1:59–2:04–2:09.

20) REFRESHMENTS

As per the regulations, refreshment stops will be available at km 5, 10, and 15, along with a takeaway at the finish line.

22) MEDICAL SERVICE

Adequate medical assistance will be provided along the route and at the start and finish points.

23) FINISH

After crossing the finish line, athletes will be directed into designated corridors, receive a finisher's medal, and be able to access the final refreshments. Returning to the finish line and/or stopping to wait for other competitors at or immediately after the finish line are prohibited.

24) SHUTTLE

On Sunday, November 8, 2026, a free shuttle service will be available for athletes and their companions, providing a circular route between the finish area and the Palafiere. It will make a single stop on Viale Rovereto, near the Benacense Stadium, approximately 150 meters from the finish line of the Garda Trentino Half Marathon and the finish line of the 10K and 5K races.

25) TIMING

Timekeeping will be handled by EvoData using a disposable chip. The ranking will be based on the "Gun Time," the time calculated from the shot; in addition to the Gun Time, the ranking will also include the "Real Time," which is the time from crossing the start line to the finish line.

26) RESULTS AND RANKINGS

Partial and final times will be displayed periodically in the awards ceremony area. The rankings will be published after validation by the designated referee. Athletes must check their results.

27) COMPLAINTS

Any complaint about the results must be submitted verbally to the Race Referee within 30 minutes of the rankings being posted, and in writing to the Appeals Jury, accompanied by a €100.00 fee, which will be refunded if the complaint is upheld. After this time, any protests will be considered final.
