2027 EVENT REGULATION

The Sestriere Bike Grandi Eventi Committee organizes Sunday the 18th of July 2027 the road race called Granfondo Sestriere Colle delle Finestre – *celebration of the 35th anniversary of Claudio Chiappucci's feat at Sestriere* - which is divided into two routes "Short Edition" along the roads of the municipalities of the upper Valle di Susa and Chisone with departure in Cesana Torinese and arrival in Sestriere (To):

- **Granfondo** of 103.6 km D+ 3,170 meters
- **Mediofondo** of 79.0 km D+ 2,370 meters

The event will take place under any weather conditions, except in the case of exceptionally adverse situations with provisions imposed by the Race Director and / or the competent territorial authorities, in order to respect the safety of the participants. In case of bad weather, however, an alternative route is planned.
The Race Director has the right to neutralize the race route in whole or in part, suspend or cancel the event or its classification in the event of adverse weather conditions during the race, accidents occurring to participants or third parties, or situations that could jeopardize the proper conduct of the competition or undermine its safety. In any case, the registration fee is non-refundable.

PARTICIPATION

The event is open to all athletes having licence of F.C.I. (Italian Cycling Federation) or sports promotion organization, both together having medical certificate for the practice of competitive cycling, and also foreign cyclists having licence of U.C.I. for the current year.

The event is **LIMITED TO 2.000 PARTICIPANTS** by invitation, and the Organizing Committee may at any time and at its sole discretion decide whether to accept or refuse the registration or exclude a member from the event in case it may damage the image of the same.

According to the new legislation all participants must hold a medical certificate of fitness for competitive sports; therefore, the participation of cycling amateurs having "not for race" license is not permitted.

The participation of minors is not allowed.

Participation in the events is subject to regular possession of the following requirement:

- for athletes registered with the ACSI, FCI (Italian Cycling Federation) or with the Italian sports promotion organization: presentation of the license card and the medical certificate for competitive cycling (certificates are not valid for other types of sports such as triathlon, duathlon, athletics light, etc.) or the use of Data Health (www.datahealth.it);
- for subjects of Italian residence but not registered with the ACSI, FCI or sports promotion organization: subscribe daily race license with presentation of medical certificate to practice agonistic sporting activities (Art. 5 D.M. 18/2/82) specific for cycling;
- for subjects of foreign residence: subscribe daily race license with presentation of medical certificate of eligibility to participate in competitive cycling races also issued by a doctor in their country of residence as per the Health Certificate model signed and stamped by the doctor (www.granfondosestriere.it/images/Health_certificate_GF_Sestriere.pdf).

Daily Race Licence: foreign and not licenced athletes can participate in the event by activating the daily license for insurance coverage of "third party liability" during the event. For the release of the daily license, it is necessary to present the medical certificate for cycling for any chosen route.

FITRI licence: the FITRI and any other triathlon licence is not recognized for road cycling and is therefore not valid for registration

Participation of former professional athletes (with/without contract): is allowed for athletes who have been registered in the Professional, Elite, Under 23, Elite Women, Under 23 Women categories in the two years (following their last membership in the category) with exclusion from the category rankings (only absolute classification).

Ethical Requirement: with the signing and submission of the registration form, the competitor, together with the representative of his team, self-certifies the inexistence of sports, civil and / or penal sanctions or investigations in progress against him for facts related to doping and declares that he has not hired - and not to hire - substances included in the anti-doping list of the World Anti-Doping Agency (WADA) (https://www.wada-ama.org/en/resources/sciencemedicine/prohibited-list).
The false self-certification will be prosecuted according to the law.

Positivity to doping: In the case of positive anti-doping tests carried out at the Granfondo Sestriere Colle delle Finestre, or positive ascertain within 6 (six) months after the event, the competitor is required to pay the Organizing Committee, by way of compensation for the serious damage caused to the image of the event, the sum of € 50,000.00 (fifty thousand euros / 00). The amount will be donated for youth cycling improvement.

Technological fraud: the race jury, as foreseen in the UCI regulations, paragraph 1.3.010 and 12.1.013 bis technological fraud, with the technical support of the organization is authorized to carry out random or systematic checks aimed at identifying tools to assist the athletes' pedalling. Non-compliance or refusal to submit to the requested technical verification will result in immediate disqualification and reporting to the competent bodies. Furthermore, referring to the UCI regulations it should be noted that the use of any transceiver equipment is strictly prohibited.

GENERAL RULES
Athletes must bring the bib to the handlebar clearly visible and not rolled to the frame. Athletes must also use the dorsal bib provided by the organization. These bibs cannot be changed in the shape. Use the approved and tied hard helmet for the duration of the race. To protect the environment, it is absolutely forbidden for participants to throw waste of any kind along the streets, it is mandatory to store them exclusively in the appropriate containers placed near the feed zone and / or on arrival. Anyone who is surprised by the race marshals of non-compliance with this rule will be disqualified from the race.

MANDATORY EQUIPMENT
Given the typical nature of the route that includes a stretch of dirt road, cyclists participating in the event must necessarily have with them at least the following equipment:

- a set of tools for removing the tire / tubular tire, a spare (or tubular) inner tube;
- a pump (or CO2 air inflator) to inflate the wheels.

It is also advised to have a cycling cape and suitable clothing to high altitudes for sudden changes in weather conditions.
In addition, all participants during the entire duration of the competition must wear the approved helmet and keep the bib readable and the dorsal bib on the shirt attached.

COMPLAINTS
Any complaints must be received by the Jury under the regulatory terms accompanied by the tax required by the F.C.I., Italian Cycling Federation

RESPONSIBILITY
The organization declines responsibility for accidents or damage to people, animals and things that may occur before, during and after the cycling event. All participants in the event are obliged to comply with the rules of the traffic laws. For what is not contemplated in this Regulation, please refer to the regulation of the FCI.

REGISTRATION MODULE SUBSCRIPTION
By signing the registration form, the competitor declares to be in possession of the medical certificate according to the Italian D.M. of 18/02/82; to be in possession of a regular cycling license valid for the current year; to have read and fully accept this regulation. The competitor also expresses the consent of the use of their image and of their data, as required by the law on data processing pursuant to art. 13 EU Regulation 2016/679.

CHANGES
The Organizing Committee reserves the right to make changes to these regulations by giving appropriate evidence on www.granfondosestriere.it in the dedicated website's section. The www.granfondosestriere.it website is the official communication organ of the event.
